

ABOUT RANDA ACCESSORIES

Leader in lifestyle accessories. Collaborating with 75 leading brands, we design, reinvent, manufacture, distribute, and market men's belts, wallets, neckwear, small leather goods, luggage, backpacks, business cases, slippers, jewelry, and gifts. From our origins as a neckwear company over a century ago, Randa now provides fashion, lifestyle, luxury, and private branded products through retailers in all channels of distribution, worldwide.

Why settle for one great brand or retailer when you can work for them all?

75
BRANDS

We collaborate with pre-eminent brands to design, reinvent, manufacture, distribute, and market men's and boy's belts, wallets, neckwear, pocketsquares, small leather goods, luggage, backpacks, business cases, slippers, jewelry, hats, gloves, scarves, and gifts.

We create and manage great brands. From our origins as a neckwear company over a century ago, we now provide fashion, lifestyle, luxury, and private-branded products for men, women, and boys through retailers in all channels of distribution, worldwide.

100+
YEARS

Founded in 1910, Randa has more than 100 years of creating success for our partners throughout global economies, shifting channels of distribution, new-materials innovation, and speed-to-market.

Each year our product and processes get steadily better, offer greater value, and adapt to current and local needs and desires.

Each year Randa reaches further, gets stronger and moves faster.
